

Employer Partners

Idaho Gives is a 24-hour online giving extravaganza where every person can make a HUGE difference for all participating nonprofits.

On May 2, you can help the Idaho nonprofit sector raise \$1.7 million. There are several fun ways your organization can participate... just choose from the options below and you will be added to our Idaho Gives Employer Partners webpage!

Please choose an option(s) below according to your level of involvement. The Idaho Nonprofit Center will provide any additional information needed. We appreciate your support!
